

It pays to make  
your home more  
energy efficient.

## Therma-Tru® Doors can help you earn a tax credit up to \$1,500

### How do I qualify?

- Buy a qualified Therma-Tru door (products must have both a U-Factor and Solar Heat Gain Coefficient (SHGC) of 0.30 or lower)
- Print Manufacturer's Certification Statement (available at [www.thermatru.com/taxcredit](http://www.thermatru.com/taxcredit))
- Save the sales receipt and the Manufacturer's Certification Statement for your tax records
- Claim the qualifying product cost on your 2009 or 2010 tax return

Visit [www.mdi-oshkosh.com](http://www.mdi-oshkosh.com) for more information and a chart of qualifying Therma-Tru products.

**THERMA-TRU®**  
DOORS

\*Therma-Tru Corp. is not a legal or tax advisor. The above summary is not comprehensive and is not intended to substitute for the advice of a lawyer or professional tax advisor. Therma-Tru expressly disclaims any responsibility for determining whether a door purchase will qualify for the energy tax credit or whether a purchaser will receive the energy tax credit. Therma-Tru recommends that consumers consult their tax advisors and review IRS guidance prior to purchasing any door product. For further details on the energy tax credit, check the IRS website.
